Install

Whether you choose satellite or cable TV let Pyxis Solutions show you how to get the most out of your TV. Our professional, licensed installers will make sure everything is wired correctly and will leave your home as clean as they found it (sometimes cleaner!).

Everything getting too complex?

We can help with that! Live TV that you can record anywhere and watch anywhere with ease. Pyxis Solutions can streamline your system to make everything work together, better.

TIVO

Cable and web entertainment, together at last.

The TiVo® Premiere DVR is the world's first Smart DVR. It brings the best entertainment from cable and the web together in one place, with one remote and one simple search across everything. The result? A truly Brilliant TV experience that only TiVo can deliver.

DIRECTV

The premium satellite TV system.

With DIRECTV, you get the newest Hollywood blockbusters first plus critically acclaimed original series you won't see anywhere else, exclusive 3D programming, the most sports, and the most full-time HD channels. If you want the best that TV has to offer, you need DIRECTV.
